15 practice questions - Name: \_\_\_\_\_ Date: \_\_\_\_\_

---

**1. Read:** "The old lighthouse stood alone on the rocky cliff. For sixty years its lamp had guided fishing boats safely home through storms. Now a modern beacon had replaced it, and the lighthouse keeper, Mr Alvarez, was retiring. On his final night he climbed the spiral stairs one last time, polished the brass rail, and watched the waves crash below." Where did the lighthouse stand?

- A) In a valley
- B) On a rocky cliff
- C) In a harbour
- D) On a sandy beach

**2. Read:** "Maya woke early on Saturday. Rain tapped the window, so she pulled on her boots and a yellow coat. At the market she bought fresh bread and a bunch of daffodils for her grandmother, who had been unwell. By the time Maya reached the little blue house, the sun had finally appeared." On which day did the story take place?

- A) Friday
- B) Sunday
- C) Saturday
- D) Monday
